Requirements to use ZoomCalls:

- 1) Desktop or Laptop PC with Windows XP, Vista, or 7.
- 2) High speed (broadband) internet connection
Note: Consistent bandwidth of at least 90 kbps of both upload and download speed per user is required. (if outside USA or Canada, more bandwidth may be required for high quality calls). Some anti-virus software may block or degrade your VoIP service. If using a cable internet connection, we recommend using a Quality of Service (QOS) modem if your bandwidth is inadequate for high quality sound. Wireless internet connections may or may not work well, depending on signal strength.
- 3) USB or PC Headset.
- 4) Our Dolphin or Dolphin Pro Power Seller or Cricket or Cricket Pro Click Dialer or Tiger Auto Dialer.
