Note: Skype has a limit of 50 calls per day per account; thereafter, they charge by the minute.	Note: Use caution when signing up for monthly "unlimited" calling. There are usually hidden limits, long term contracts, plus activation and deactivation fees.	Note: The above VoIP services provide routers converting VoIP to standard RJ-11 analog jacks. Check their web site for any limitations in their service.	Note: Use caution when signing up for monthly "unlimited" calling. There are usually hidden limits, long term contracts, plus activation and deactivation fees.

Telephone Services that do NOT work with any of The Power Sellers or Click Dialers:
