

**Telephone Service that works with The Power Seller and The Click Dialer:**

Cheetah Power Seller	Dolphin Power Seller	Cricket Click Dialer
<b>Uses Analog Land Line phone service:</b>	<b>Uses these Softphone VoIP phone services:</b>	<b>Uses these Softphone VoIP phone services:</b>
<b>RJ-11 phone jack</b> (examples: AT&T & Verizon)	<b><u><a href="http://www.ZoomCalls.com">www.ZoomCalls.com</a></u></b>	<b><u><a href="http://www.ZoomCalls.com">www.ZoomCalls.com</a></u></b>
<b>Hardphone VoIP services</b> (which supply an RJ-11 phone jack)	Or any other VoIP that works with X-Lite	Or any other VoIP that works with X-Lite
Note: Hardphone VoIP services provide routers converting VoIP to standard RJ-11 analog jacks. Check their web sites for any limitations in their service for telemarketing or "excessive" calling.	Note: Use caution when signing up for monthly "unlimited" calling other than with ZoomCalls VoIP service. There are usually hidden limits, long term contracts, plus activation and deactivation fees.	Note: Use caution when signing up for monthly "unlimited" calling other than with ZoomCalls VoIP service. There are usually hidden limits, long term contracts, plus activation and deactivation fees.

**Telephone Services that do NOT work with any of The Power Sellers or Click Dialers:**

Toktumi \* Aptela \* Packet 8 (8x8) \* VBuzzer
